REF: [] 53544, 19 Jul 74			
<p>1. We telephoned Subject on 15 October 1974 per paragraph seven of Reference. Subject said that he had no word from any of the Soviets whom he had met last summer in Frankfurt. We told Subject that we continue to be interested in the Soviets and that we expect him to contact us again if there is a positive development, which we think is unlikely. We will therefore not take the initiative in contacting Subject again.</p> <p>2. If Subject should have anything of interest in the more distant future, he could presumably use his personal contacts with [] to bring this to our attention.</p> <p>3. We are placing our file on Subject in an inactive status and will destroy it in June 1975, unless we hear from Subject before then.</p>
